Re: United States v. Sulaiman Abu Ghayth  
S13 98 Cr. 1023 (LAK)

Dear Judge Kaplan:

On August 30, 2013, the defense filed a motion seeking suppression of out-of-court identifications of the defendant by a cooperating witness (the "CW") and precluding the in-court identification of the defendant by the CW at trial. The Government is preparing its opposition to the defendant's motion, but is awaiting authorization from other components of the Government to present the Court and defense counsel with additional information that will be material to resolution of the defendant's motion. The Government is optimistic that this authorization will be secured within a week, and thus respectfully requests that the Court set September 23, 2013 as the deadline for the Government's opposition. Stanley Cohen, Esq., attorney for the defendant, consents to this proposed schedule
